Cc: Zimmerman, Terri; Tuschen, Terry
Subject: Risser companion bill request

Hi Rick, Senator Risser would a Senate companion bill drafted to Rep. Hulsey's LRB 0922/2 related to redistricting. I've cleared this with Terri in Rep. Hulsey's office and am copying her on this request.

Thanks very much as always for your help,

Terry

2011 BILL

LRB-0922/2

RAC:jld:rs

LRB-2329/1

RAC:jld

shays

AN ACT *to create* 4.006 of the statutes; **relating to:** preparation of legislative and congressional districting plans by the Legislative Reference Bureau and the Government Accountability Board.

Analysis by the Legislative Reference Bureau

The Wisconsin Constitution requires the legislature to redistrict legislative inhabitants at its next session following each general election. The legislature also reapportions congressional districts

*Companion
Bill : NO
changes*

procedure for the preparation of legislative and congressional districting plans. The bill requires the Legislative Reference Bureau (LRB) and the Government Accountability Board (GAB) to jointly develop legislative and congressional districts based on population and the U.S. Constitution and the Voting Rights Act. One of the standards must be that the districts be compact. The bill then directs the LRB and the GAB to submit the bill to the legislature for approval in or before the first session of the second census, the LRB and the GAB must deliver to the assembly and speaker of the assembly identical bills for congressional districting.

The assembly or the senate to expeditiously introduce and bring a bill to a vote not less than seven days after the date of introduction. The

BILL

vote must be under a procedure or rule permitting no amendments, except those of a purely corrective nature. If a bill is approved by the first house in which it is considered, the bill must expeditiously be brought to a vote in the second house under a similar procedure or rule.

If neither of the bills delivered by the LRB and the GAB is approved by the assembly and the senate, the LRB and the GAB must then prepare identical bills embodying a second plan of legislative and congressional redistricting. The LRB and the GAB must deliver the bill to the majority leader of the senate and the speaker of the assembly no later than 21 days after the date of the vote by which the senate or assembly failed to approve the first bill. This second bill must be expeditiously introduced and brought to a vote not less than seven days after the date of introduction, in the same manner as prescribed for the initial bill.

If the second bill is not approved by the assembly and the senate, the same procedure applies for the preparation of a third plan by the LRB and the GAB and legislative consideration of a third plan. The bill does not provide any procedure for the preparation and submission of a fourth plan by the LRB and the GAB. It is important to note that the procedure established under the bill for legislative consideration of any legislative or congressional districting plan is a rule of proceeding under the Wisconsin Constitution and, as such, would not be legally enforceable in a court of law if the assembly or senate failed to follow the procedure.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

1 **SECTION 1.** 4.006 of the statutes is created to read:

2 **4.006 Redistricting procedure.** (1) The legislative reference bureau and
3 the government accountability board shall develop standards for legislative and
4 congressional districts based on population requirements under the Wisconsin
5 Constitution and the U.S. Constitution and requirements under section 2 of the
6 Voting Rights Act. One of the standards must be the electoral competitiveness of the
7 districts.

8 (2) Not later than January 1 of the 2nd year following the decennial federal
9 census, the legislative reference bureau and the government accountability board
10 shall jointly deliver to the majority leader of the senate and speaker of the assembly

BILL

identical bills creating plans of legislative and congressional redistricting, prepared in accordance with standards developed by the legislative reference bureau and the government accountability board under sub. (1). Either the assembly or the senate shall expeditiously introduce and bring a bill to a vote not less than 7 days after the date of introduction. The vote shall be under a procedure or rule permitting no amendments except those of a purely corrective nature. If a bill is approved by the first house in which it is considered, the bill shall expeditiously be brought to a vote in the 2nd house under a similar procedure or rule.

(3) If neither of the bills delivered by the legislative reference bureau and the government accountability board under sub. (2) is approved by both the assembly and the senate, the legislative reference bureau and the government accountability board shall prepare identical bills embodying a 2nd plan of legislative and congressional redistricting. The legislative reference bureau and the government accountability board shall deliver the bills to the majority leader of the senate and the speaker of the assembly no later than 21 days after the date of the vote by which the senate or the assembly failed to approve the bill submitted under sub. (2). Any bill delivered by the legislative reference bureau and the government accountability board under this subsection shall be expeditiously introduced and brought to a vote not less than 7 days after the date of introduction, in the same manner as prescribed for the bill required under sub. (2).

(4) If neither of the bills delivered by the legislative reference bureau and the government accountability board under sub. (3) is approved by both the assembly and the senate, the same procedure as prescribed by sub. (2) shall be followed for the preparation and legislative consideration of a 3rd plan.
